This completed form and payment of a \$50 permit fee entitles a Foothill High School **Junior or Senior**, who has a signed parental permission slip on file in the Main Office, to drive to school and park in designated student parking areas. Due to our growing student population and limited parking spaces, we strongly encourage carpooling. Mandatory carpooling remains an option for the future. Parking is on a **first-come, first-served basis only**. When all designated spaces have been taken, the lot will be closed. A valid permit only confers the privilege to park on campus and does not guarantee a parking space. All vehicles must be registered and display the appropriate Foothill Parking Permit. An additional fee of \$10 will be charged for lost or stolen permit placards. **Any student, who leaves the parking lot or campus without proper authorization during the school day will have parking privileges revoked. Refunds will not be granted if parking privilege is revoked.**

The following conditions must be followed to ensure the safety of staff and student drivers:

- Permits must be displayed in the front windshield so that the permit number can be read.
- Students may not leave school during school hours (including lunch) unless they have checked out of the office and have been issued a signed and dated pass.
- All traffic regulations must be obeyed.
- The speed limit in the parking lot is 10 mph, maximum.
- No overloading of the passenger compartment in a truck cab or truck bed (state law). No riding in the bed of the truck.
- Parking is restricted to the designated student lot only, on a first-come, first-served basis. Parking in the teacher/staff lot, or in the visitor lot, is not acceptable and will result in loss of permit for **one semester**.
- Parking in an unmarked space, handicap space, or fire lane will result in loss of permit for **one semester**.
- Only SENIORS displaying a Senior Parking Permit may park in the Senior Lot (per space availability).
- Reckless driving on or near school grounds will result in the loss of permit for **one semester**, possible police involvement, and other disciplinary action as deemed necessary by administration.
- For the safety and well being of all Foothill students and staff, vehicles may be subject to search as deemed necessary by administration. See Ed Code 2113A.
- Violations of your Provisional License may result in parking privileges being revoked for the **remainder** of the school year and/or other disciplinary actions.

As a student requesting a permit to park in the student lot at Foothill High School, I understand the rules and expectations listed above. I will follow the rules and realize the consequences should I choose not to follow these standards. As a parent/guardian of a student who has the privilege of a Foothill High School parking permit, I have read the above rules and standards and understand the consequences should my student choose to disregard this contract. Disregard of the student parking rules will result in loss of parking privileges, and could result in towing of the vehicle and/or ticketing by the Pleasanton Police.
