News to know

All students and parents interested in college planning should attend our College Night, May 12th in the MP from 6:30-8:30pm. We will have reps from UC, CSU, private college, and community college.

Counselors will be finishing up meeting with all sophomores between now and the end of the school year. These meetings were delayed due to the onset of early scheduling this year.

Seniors need to check with colleges to see if they need a mid-year report and/or senior year grades. Almost all private colleges need this, and some out-of-state colleges and CSU's want them as well.

Seniors should check with each college regarding their financial aid application process. Most colleges require the FAFSA and GPA Verification form. Some colleges require the PROFILE. Also, check each college's financial aid website to see if they need additional forms in order to apply for financial aid. We encourage all students to apply, even if they do not think they will qualify for need-based financial aid.

The counseling department is starting groups again!! Some of the themes at which we are looking for the fall are the following: New Students, Girls/Boys, Divorce/Loss/Grief, Stress Management/Test Anxiety, Body Image, and Anger Management. If you would like a place to talk where things are confidential, please, come and sign up in the counseling office. Reach out and help others while at the same time helping yourself!!
