**PLEASANTON UNIFIED SCHOOL DISTRICT**  
**Telecommunications Network - Student Acceptable Use Agreement**  
**Policy and Regulations 6160**

The Pleasanton Unified School District has provided a network to connect schools of the district and the Pleasanton Unified School District Media Center. This network connection provides students and teachers with access to a telecommunications network and to the resources which are available through the Internet. These resources are to be used only in conjunction with teacher-directed and teacher-approved educational projects.

The guidelines below identify your responsibilities as a user of these resources. If any user violates these provisions, his/her access will be canceled and appropriate disciplinary action will be taken.

A. **ACCEPTABLE USE**

The purpose of providing access to the Internet is to support classroom instruction and educational research. The use of the Internet must be in support of teacher-directed and teacher-approved activities which are consistent with the adopted curriculum and educational objectives of the Pleasanton Unified School District.

A. **PRIVILEGES**

The access to resources contained on the Internet is a **PRIVILEGE**, not a right, and inappropriate use will result in the cancellation of those privileges. The site administrator will determine when a student has violated these provisions based upon recommendations from the instructor. Renewal of the **PRIVILEGE** is at the sole discretion of the site administrator.

A. **AGREEMENT**

I, as a student, understand that when I am using the Internet or any other telecommunications environment for academic purposes as provided by the Pleasanton Unified School District, I must adhere to the rules of courtesy, etiquette, and all laws regarding access and use of the communications network. Further, I understand that by breaking the rules, my privileges to access the Internet and use of the telecommunications network will be removed and I will be subject to appropriate school and district disciplinary action.
