

E-Connection

The most up-to-date news and emergency information is available through PUSD's E-Connection

Parents and guardians are invited to sign up as subscribers to Pleasanton Unified School District's E-Connection — the fastest way to deliver emergency, school, and District news. Information is sent directly to you via e-mail. PUSD uses this distribution list for both emergency and routine information. Please note that this service is different than e-mail lists maintained by school site parent groups for newsletter distribution.

Joining is easy — simply follow these steps:

1. Go to the District website: www.pleasanton.k12.ca.us
2. Click on the "E-Connection" link on the right-hand side of the page
3. Fill in your e-mail address and name (optional), check your school, then click "subscribe"

E-Connection subscribers can sign up for news from more than one school or to more than one e-mail address — just repeat the subscription process above.
