Be True Blue!

Help keep the Blue out of the Red

The FHS Website is a great resource for Foothill students, parents, teachers and community members.

With a simple click of your mouse you can check on grades and homework assignments and receive messages from teachers through *Zangle*, our student information system. It's easy to navigate each webpage filled with rich information about activities and events taking place on campus and find out about our school.

This great service comes with a price tag and we would very much appreciate any donation that you may wish to make to help us cover the costs of maintaining this high quality resource.

Help Us To Maintain Our Wonderful Resource!

Did you know?

- ◆ Foothill parents were instrumental in supporting the complete overhaul and development of our website to provide you with the great current web resource we all now take pride in.
- ◆ Every year it costs us \$4,200 to keep our website license active. This does not include the expense of paying for our staff to maintain our website on a daily basis.
- ◆ With approximately 2,300 students a donation of less than \$2.00 from each student would help cover costs of maintaining this great resource for students, parents, teachers, and the community.

Please make your tax-deductible check payable to: **FHS Tech Maintenance**
