

Activating and Exploring Your PUSD Accounts

("Q" Student Connect – Gmail – Naviance)

Activate your Student "Q" Connection:

Activating "Q" also activates your PUSD gmail account AND Naviance. All systems will use the same Login and password.

- Go to <http://go.pleasantonusd.net/activate> to set your password and security questions
- You need your student ID number, last name, main parent/guardian phone number, and street name only (don't enter street number, or Ave, St, Rd, Ct, etc)
 - Once you access password activation, follow the directions **exactly** as you create your password
 - It **must** have at least 8 characters including an upper case, lower case, number, and symbol
- Be sure to record your password and security questions and answers in case you forget it and need to recover it
- Click on "What is my email?" link to see the PUSD email address that has been assigned to you
 - Be sure to record your email address (it's not the same as your personal gmail account)
 - Your PUSD gmail account gives you access to Google Apps for Education (GAFE) – many of your teachers will use GAFE for their courses
 - Check your PUSD gmail account periodically for updates and important information from PUSD, Foothill HS, etc.

Already have an account, but forgot your password?

- Go to <https://rt.pleasanton.k12.ca.us/pwm> to recover it

Logging In to Naviance:

- Go to <http://connection.naviance.com/foothillhighsch>
- **Username** is your **Student ID#**
- **Password** is the same as your Student "Q" Connection password

You can use Naviance at anytime to acquire information about: careers, colleges, majors and more. Naviance is an exciting program and excellent tool for students, so login to as frequently as you would like!
